ONE PER TEAM · FRONT

Team worksheet

Outcomes 1 and 3

Team / role: _____

OUR APPLICATION

The room picks one when Human Interaction opens Share: “What environment are we trying to measure?”

ONE FASCINATING THING WE LEARNED

From your research: the reference guide and your folder in the repo.

OUR 2 STATEMENTS

What other teams most need to know from us. Use your reference guide and your folder in the repo.

1

2

OUR QUESTION

To team: _____

THEIR ANSWER

WHAT BROKE, AND HOW WE FIXED IT

During the build. What you saw, what caused it, what you changed. `docs/troubleshooting.md` in the repo has common fixes.

Build: no set order. Two rules: switch OFF until everything is connected; the lid goes on last.

ONE PER PERSON · BACK

Reflection

Name / role: _____

Your answer to the question the group picked.

ONE PER PERSON · BACK

Reflection

Name / role: _____

Your answer to the question the group picked.
